*Rekindle the light of your past,  
Live by the light of your  
present,  
Ponder the light of your future.*

*"You cannot step into the same river twice,*

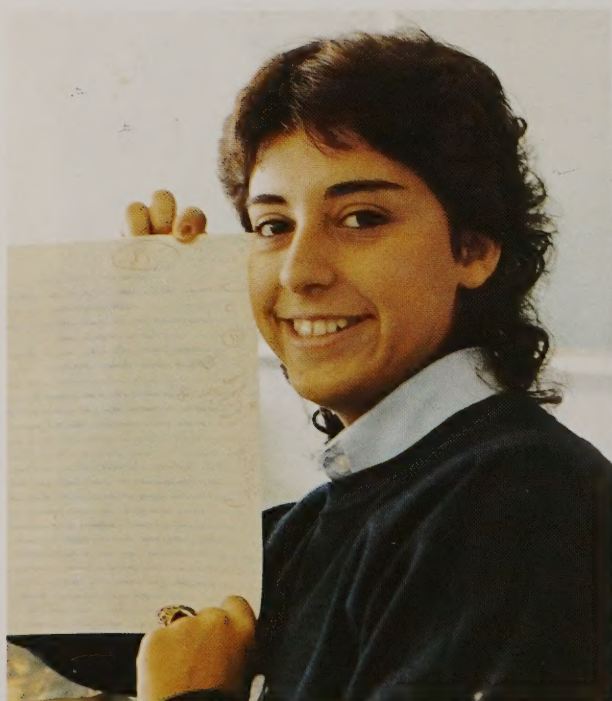

*for fresh waters are ever flowing in upon you.” —  
Heraclitus*

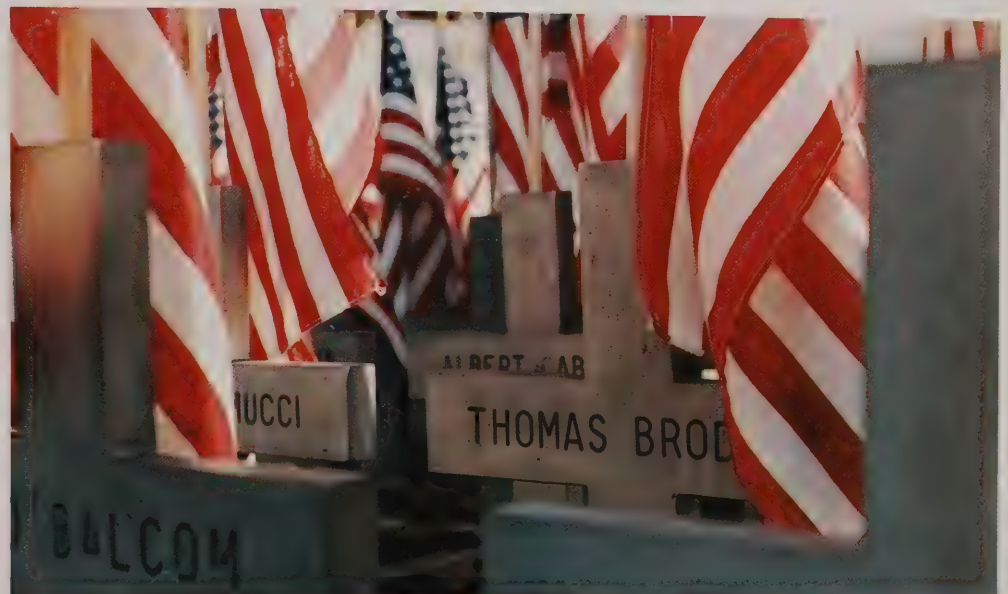

*How will we see ourselves,  
looking at this museum of our adolescence?*

*Does the naivete of youth blind us to the reality of what life holds in store?*

*This was a span of time - envisioned as infinite-*

*now a fleeting instant  
held only in memories.*

*The tragedies of these times almost seem trivial,*

*while youth's trivialities seem tragic.*

*These experiences will formulate attitudes  
that will lead us in our futures . . .*

*but these attitudes must face the trials our futures offer.*

*Our present sanctuaries will soon be shattered by a harsh world.*

*Whatever the future may have in store,  
we are forced, regrettably, to leave our youth here . . .*

# Big Brother/Big Sister Dance

The Class of 1985 put on the Third Annual Big Brother/Big Sister program for the entering Freshman Class of 1987. To make the freshmen feel more comfortable, the juniors performed various songs and a humorous skit. To end the activities, a dance was held that night for the participating juniors and their little brothers and sisters. Refreshments and music were provided. After this welcome the freshmen were anxiously awaiting their next event together at Ludlow High.

# Booster Day Dance

On Friday September 30, 1983, the Senior Class sponsored the fall Booster Day. That afternoon, the cheerleaders put on a spectacular pep-rally for the fall sports teams. The rally was highlighted by a slide presentation of the athletes and dancing by the cheerleaders. That evening following the traditional burning of a dummy, "Not Fragile" provided the crowd with great music.

# Freshman Harvest Party

The Freshmen Harvest Party was the first event for the freshmen as a class. Dancing and a horror movie provided the freshmen with a unique form of entertainment. Refreshments were served and all who attended enjoyed this festive event.

# The Senior Masquerade Brigade

October 28, 1983 was the date of the Senior Halloween party entitled "The Senior Masquerade Brigade". The imagination of the people who attended was reflected in their costumes. Towards the end of the night judges chose the best costumes and rewarded prizes.

# Football

The Lions were definitely a team with character this year. Early in the season they were plagued with injuries to key players. Seniors Peter Mole and Jeff Roberts missed most of the season due to injuries in the Waconah game. Later in the season, seniors Eric Clewes and Mark Pariseau missed a great deal of playing time when they were injured. Still, the Lions regrouped and went on to bring winning football back to Ludlow finishing with six wins and four losses. Congratulations for a fine season to Coach Marino, Coach Ericksburg, Coach Koscher, and to all of the players.

The masterminds of the sidelines are Coach Marino (left), Coach Koscher (above left) and Coach Ericksburg (above right).

The girls' varsity soccer team ended their season triumphantly capturing the top spot in the "B" Division with nine wins, five losses, and one tie. All this was accomplished after a slow start where they lost two of their first three games. It was a job well done by Coach Dalessio and senior co-captains Kim Les and Theresa Leclerc, who kept the team motivated by their superb leadership. It was their leadership that inspired the girls all the way to the Western Mass. tournament where they finally fell to Algonquin. Congratulations to Coach Dalessio and to all of the girls for a fine season.

# Cross Country

First year coach Bill Mahoney did a fine job of getting this team "with a lot of heart" into shape. Individual improvements along the course of the year were tremendous, demonstrating the great determination of every member of the team. After sitting out last year with a broken heel, James Germain ran in the top spot this year for Ludlow. Juniors Mike Cijka and co-captain Steve Sanderson were the second and third top runners for Ludlow. With many of the runners returning next year, the Lions are hoping to continue their progress in great fashion.

# Boys' Soccer

This year's varsity boys' soccer team upheld the winning tradition of Ludlow High soccer. Coach Jack Vilaca taking the reigns for the first time, did a fine job. The team finished with nine wins, four losses and three ties, once again making it to the Western Mass Tournament before losing a tough 1-0 loss in the first round to Westfield. Senior Joe Cheria's footwork, along with superb play by fellow seniors Darren Dias, Anibal Alves, Victor Francisco, Bill Wrinn, and Kevin Hawley led to the Lions' success.

Congratulations to the team and Coach Vilaca for a fine performance.

# Administration

**Mr. James Cavallo-Principal**

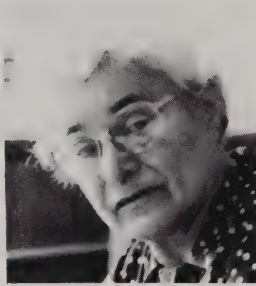

The Administration of any high school is the central department of the school. The students are helped and controlled by "the office", while the faculty turns to it for their professional guidance. Under the leadership of Mr. James Cavallo, Mr. Joseph Andreis, and this year's new addition to the department, Frances Libiszewski, the Ludlow High School Administration makes a vital and often nerve-wracking job look almost easy.

The Ludlow High School Guidance Department is the one which will probably prove to have the most pronounced effect on the decisions of the school's students. Not only do the experienced Ludlow High School counselors guide the students through their high school years, but they also give them advice which will guide them out of school and into college or a job. In many cases, the school's guidance counselors bridge the gap between the administration and the student body.

# Math

**Mr. Daniel Lynes-Department Head**

**Mr. Raymond Yando**

A good background in mathematics is vitally important for the development of a sense of logic and clear thinking. The Ludlow High School Mathematics Department provides that good background. Its staff, under Department Head Daniel Lynes, helps the student to find the concrete practicality of what can seem to be an abstract subject.

# Boys' Basketball

The boys' basketball team, under Coach Kolodziey, had a disappointing season this year. Indeed it appeared that the Lions would fare well this year winning their first two games of the season. But a tough overtime loss to Chicopee seemed to turn the season around, and the Lions were never able to recover. It was a long hard season for Coach Kolodziey and his players with little reward for their efforts.

# Girls' Basketball

The girls' basketball team, under Coach Phelon, shows a very deceiving record this year. This team, although only showing a .500 record for the season, played much better than .500 ball. The girls started out the season slowly losing their first four games. From that point the female Lions won three of their next four games, with the loss being a tough two point loss to Classical. The girls finished the season in fine fashion winning four of their last five games. When analyzing the season, one must consider the two losses by one basket and a heart-breaking three point loss. These three games alone could have turned the season around and given the team a well-deserved winning record.

# Skiing

The ski team, coached by Maureen Brennan, went through a difficult season this year. The team did improve their record through the course of the year culminating in a fourth place finish in the last meet of the year. The season's unpredictable turns can be characterized by the cancelling of a meet due to an overabundance of snow. This year's team was a young team with many skiers returning next year to try to improve the team's record.

# Wrestling

The wrestling team, behind first year coach Jerry Mason, had an up and down season this year. The team lost their first three matches only to win their next two. The Lions then fell three more times before coming back to win two more consecutive matches. The roller coaster type season left the Lions with a disappointing ending where they lost their last two matches during a downward trend.

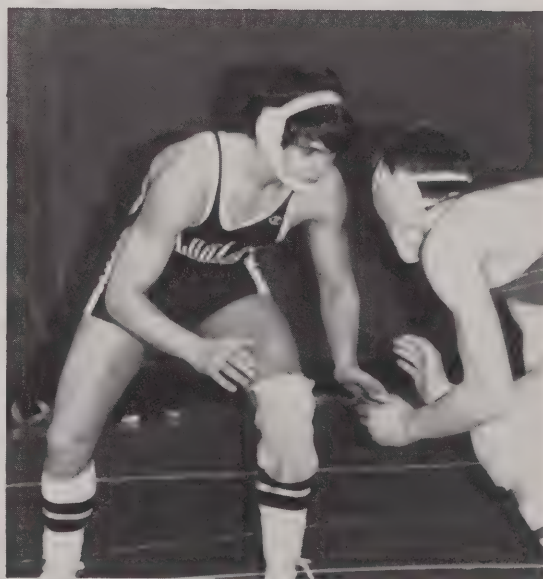

Despite the overall team record, there were superb individual efforts by seniors John Dias and Peter Mole, who was still recovering from an injury.

# Hockey

It appeared that Coach Malek's team would turn their season around with two consecutive mid-year wins in which the Lions outscored their opponents twenty to one. But it was not to be a winning season for the Lions this year. After those two wins the Lions could only manage to gain a tie the rest of the season. It was a bitter season for the Lions where nothing seemed to go right for them. A fruitless season in hockey for the mighty Lions despite their valiant efforts.

# “You Can’t Take It With You”

On January 6, 1984 and January 7, 1984, the members of the high school faculty presented their version of the widely acclaimed play “You Can’t Take It With You”. The direction of this play was done by Mr. Howard Burrage and assisted by student director Donna Jaciow. Mr. Charles Bradshaw brought Latin students from Ludlow High School to meet with other Latin students in the Pioneer Valley. Classics Day is presented to inform students of the history and the future of the Classics in our society. The many students who attended this years Classics Day will remember the importance of the Classics in everyday life. Mr. Bradshaw can be proud of the way Classics Day was presented to the students.

# Jump Rope For Heart

The Student Council of Ludlow High School once again presented a charitable event. On February 7, 1984 the Jump Rope-a-Thon to benefit the heart fund was held. The class that collected the most money was the sophomore class. Junior Gina Surreira was in charge of this activity. All who took part had a great time helping a worthwhile cause.

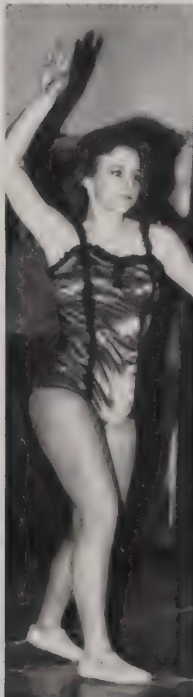

# “Nothing Can Stop Us Now”

The Class of 1984 presented “Nothing Can Stop Us Now” February 16, 17, 18. The seniors, under the advisor James L. Martin and student-coordinators Jeanette Tranquilli and Bill Wrinn, kicked off the show with a dress rehearsal for the Senior Citizens of the town, with a special party for them during intermission. This year’s Masters of Ceremonies were Kim Condon and Paul Wonsowicz. The show included a large variety of skits and solo acts.

# ATHLETICS

N I N E T E E N

This year the L.H.S. Chorale and Concert Choir had two very well performed concerts at Paul R. Baird Jr. High. Some highlights were "Come on Home" and "Now Let Every Tongue Adore Thee." Two seniors: Patty McDonald and Patty Francisco beautifully sang duets from Vivaldi's "Gloria." All in all, this year's concert season was excellent.

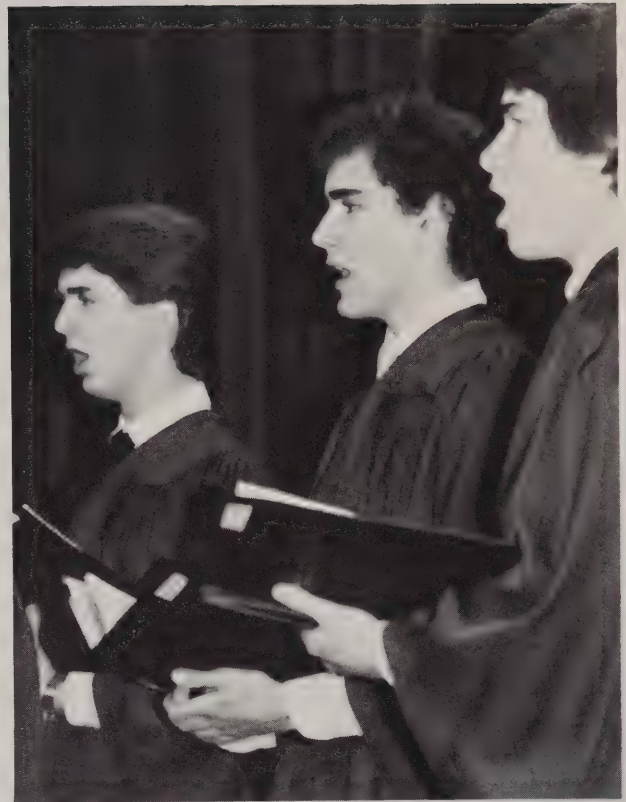

# Voice

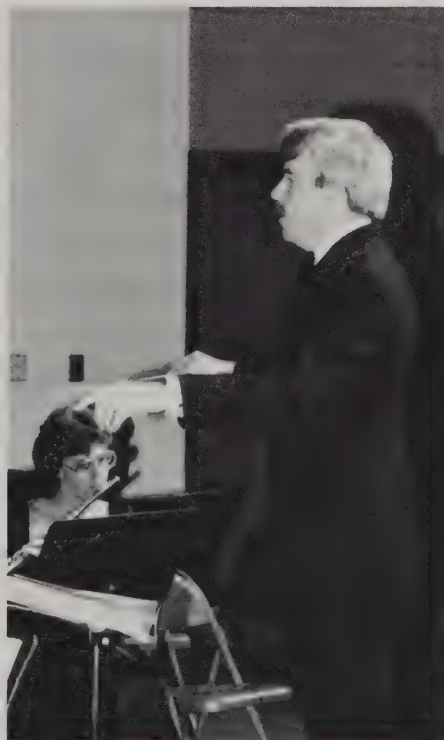

# Band

The Ludlow Lions Marching Band drummed and tooted its way through another successful year under the direction of Royce Layman and Daniel Carlson. Special recognition is given to Jeff May the Drum Major and Donna Jaciow the Silk Squad Captain. The band added much to Saturday football games and the Memorial Day Parade. The band was divided into 3 groups which cooperatively held a concert in May.

# SPRING

# Baseball

The defending Western Mass. B-Division champions Ludlow Lions finished with a disappointing 5-11 record this year. The Lions were hopeful contenders up until mid-season when things began to slip. The Lions ended the season losing eight of their last 10 games. Coach Kolodziey did have some gratifying moments this year, however. Watching a player like senior Dan Robitaille work behind the plate is always a pleasure. With many returning players next year, the Lions will hopefully rebound.

# Softball

The girls' softball team, led by Coach Malek, finished with eight wins and eight losses. The girls had a very respectable season and always were very competitive. The team was never able to put together a solid winning streak, however. They would gain three consecutive wins and then would pick up two losses. It was certainly an up and down season for the girls. Seniors Kim Les and Donna Grimshaw should be commended for their leadership throughout the season.

# Golf

The Lions' golf team was once again coached by Mr. Holdsworth. The team ended with nine wins, six losses, and one tie. There were many seniors who contributed greatly to the Lions' cause. John Mitus, Don James, Mark Croughwell, and Brian Dobek were the seniors of the team whose experience and guidance aided Coach Holdsworth in his efforts to continue the tradition of winning golf at Ludlow.

# Track

This year's track team had a difficult time throughout the season. Coaches Greg Scycourka and Bill Mahoney pulled the team together to make them very competitive. It did appear that their efforts would result in a winning record when the team won two consecutive meets at mid-season against South Hadley and Palmer. But it just was not the year to do it. Senior Pete Mole, just recovering his speed from an injury to his leg, did a fine job for the Lions. Seniors Mark Drozdowski, Bill Chenaille, Doug McVeigh, Bruce Evans, Greg Hanley, and Jen Tower also provided fine leadership for the team.

# The Junior-Senior Prom

On Friday, May 11, 1984, the class of 1985 presented the annual Ludlow High School Junior-Senior Prom held at Chez Josef in Agawam. A sit-down dinner and dancing provided the entertainment for the couples that attended. The highlight of the evening was the traditional crowning of the prom queen. The queen this year was Jennifer Boucher escorted by Mitchell Kupiec. Her court consisted of Joy McCarthy with Sergio Dias, Cathy Nowakowski with Brian Quesnel and Brenda Tierney with Gary Martin. In addition to the prom queen there was also a junior princess. This year's junior princess was Jennifer Nichols escorted by Kent Moorhouse. The junior girls that made up her court were Kathy Keough, Tammy Lemieux and Tina Jarvis. The co-ordinator for the prom was Sheryl Maziarz.
